

5:6. Also, “ “ God resists the proud, but gives grace to the humble.” Therefore submit to God.” James 4:6b, 7a. God wants us to humble ourselves, to accept that we are sinners in need of a Saviour, to submit to Him, believing that He sent His Son Jesus Christ to die on the cross for our sins. “ For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish, but have everlasting life.” John 3:16.

Can you do the really difficult thing, and go against your natural pride and rebelliousness?

Can you humble yourself and submit to God?

Can you admit and turn away from your sin?

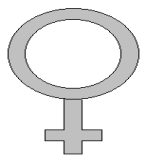

Can you accept and trust Jesus Christ as your Saviour?

There is the example of Queen Esther from history, but there are some truly amazing women who are doing this right now...

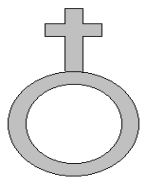

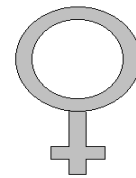

Women can do anything!

Women
can
do ...
Anything

A trendy car sticker, and these days women have more freedom and opportunity perhaps than ever before to do anything they want to. Some even try to be a professional career woman, mother and wife all rolled into one. However, some things come naturally to us, and so are easy to do, and some things are a real challenge...

Intrigue reigned in the court of the King of Persia. The King was tricked into a scheme to kill all the Jews in his kingdom – from India to Ethiopia. At that time, to refuse to come when the King called, or to see him without an appointment, meant risking your life. In her pride, the beautiful Queen Vashti refused to appear when she was called. She was replaced by Esther, the most beautiful woman in the kingdom. But Queen Esther was more than a beautiful woman. She realised that she was in a position to save her people, but it meant seeing the King without an appointment. She saw the King. She was so humble, obedient and submissive to the will of God that she risked her life. Queen Esther saved her people. (See the book of Esther in the bible)

It is part of our human nature to be self-centred and rebellious, (Timothy 3:1-5, the holy bible). It is easy to do what comes naturally. We want to be successful, to make it in a man's world, to be independent and self-reliant. We also enjoy looking good, and we like to make ourselves feel good, by indulging in the smorgasbord offered by the new age and occult. What is difficult, is to go against those natural feelings... the opposite of being proud and rebellious... to be humble and submissive. When we make mistakes, to swallow our pride and admit that we are wrong. To change our ways and submit to what we find out is right and true. Now that is hard to do!

We like to do things our own way, what we feel is right. But, we have a very limited perspective, whereas almighty God, the creator and sustainer of the universe, knows everything. God speaks to us in the bible, and says... "There is a way which seems right to a man, but its end is the way of death." Proverbs 14:12. God has told us the right way, through His Son Jesus Christ..."Jesus said to him, "I am the way, the truth, and the life. No one comes to the Father except through me." John 14:6. God also tells us to be humble and submissive to Him, "Therefore humble yourself under the mighty hand of God, that He may exalt you in due time." 1 Peter
